A humble yet aspirational endeavour has transformed rapidly into greater and more diverse interior solutions. Manilam was founded with the ambition to provide our customers with quality products, starting off with the 0.8mm magnificent collection, we grew within a span of five years and gained phenomenal recognition with our increased production rate.

We transform your ideas into art, being one of the industry's fastest growing brands. Manilam aims to become a brand synonymous with excellence, innovation and uncompromising quality.

Where style meets sustainability, and beauty harmonizes with responsibility. We are proud to present our Eco Collection Laminate, a carefully curated selection of flooring solutions designed to bring elegance to your space while treading lightly on the planet.
